SPECIAL INTEREST WORK GROUPS

The purpose of the UBR Special Interest Work Groups is to provide an organizational structure for members of similar professional interests to partner and collaborate as content experts to assist in research, development, and providing recommendations for addressing identified needs and opportunities for change. Mobilizing technical knowledge and information helpful for UBR education and advocacy efforts represents a fundamental charge for carrying out our work.

OUR GUIDING PRINCIPLES

Our Vision: Enhancing the quality of life of all Blacks and African Americans in Utah

Our Mission: To serve as a collective voice in support of a better Utah

Our Values:

- Foundation:** We believe it takes ALL people to make a better Utah.
- Unifying Body:** We are many individuals/organizations with one purpose.
- Collaborations:** We partner with others on common key initiatives.
- Diversification:** We are many. We are strong.
- Representation:** We represent the underrepresented and the unrepresented.
- Mobilization:** We mobilize in our efforts to pursue a just cause.

I agree with the vision, mission and values of the Utah Black Roundtable (UBR).
